

Graph of the Apocalypse

1) **Fall of America** (Isaiah 18) in the Vineyard stage of Berry Set and Shatter possibly up to Veraison in August. This probably occurred in the spiritual realm indicated by the removal of Netanyahu from office with the actual fall of America circa winter 2021 - 22 AD. The Revived Roman Empire fills the vacuum.

The precise, detailed fulfillment of the Vision of the Eagle from the Sea in the history of the American Republic prove the Inspiration of the Apocalypse of Ezra as the Vision that Evangelicals have been looking for.

The Apostolic Doctrine of the Ten Lost Tribes is contained in II Esdras which Evangelicals failed to revive when the Apostolic Premillennial Faith was restored (by a Brazilian Monk named Lacunza, "The Coming of the Messiah in Glory and Majesty" including the Secret Rapture also from II Esdras).

The Ten Tribes are Caucasia including Russia as Asher (Royal Dainties = Caviar), Crimea as Issachar (two burdens = US & Russia) and the Ukraine as Naphtali (South and West = EU and NATO) which I identified by current events in Crimea in 2014. The Key to their identity (as "Treasure hid in the Field") is that the Russian Orthodox Church is the only Church other than the Anglican that included the Apocalypse of Ezra in their Sacred Canon (1611 KJV up until the 1800's).

The other Tribes : Dan = Irish, Gad = Scottish, Joseph = Spain, Manasseh = English, Ephraim = Americans, Benjamin = French, Zebulon = Nordic, Reuben = Germanic, Simeon = Australian & Zealand, Judah & Levi = Israel.

The Jews still believe in the return of the Tribes described as the Daughter of my dispersed by Zephaniah. Ephraim and Dan don't produce any of the 144,000 because they have a reputation for fighting not conducive to preaching the Gospel. They are like God's Military and Police Forces - the Guard Dogs that protect the Flock from the Wolves.

The Fall of America is the Snare in Scripture as well as the Curse that John Baptist held off for 2,000 years by turning the Hearts of the Fathers to the Children. Amos compares its fall to Sodom so Glorify the Lord in the Fires as Ananias, Mishael and Azarias. Nahum describes it as the Chariots raging in the streets shining like torches and running like lightning. All the Scriptures that are directed at Ephraim in the End Days apply to the entire AngloSaxon Empire and America specifically. England is the 'Mother' of Anglodom.

2) The identity of Seven Churches : All 7 had to have been here in 93 AD (*when the vision was given*) and all will be here at the time of the Pretribulational Rapture which leaves out all Protestant Churches (Nicolaitans who rebelled against the 'Apostles') as well as Evangelicals (Watchers of Songs 5 and Children of the Bridechamber because they walked away from the New Covenant) and all Cults (Mormons actually claim to be Jews but are the Synagogue of Satan - "You can become God" The Lie Satan told Eve - why didn't Joseph Smith become God and resurrect himself?).

Ephesus is the Apostolic Jewish Church who lost their place to the Armenian Church founded by Nathaniel who own the tomb of Uncle James and who held on to the Premillennial St. James Liturgy for a thousand years after the rest of the Church abandoned Premillennialism (left their first love).

Smyrna is the most persecuted Church in History, the Coptic Church of Alexandria founded by the Greatest Apostle John Mark.

Pergamum is the Chaldean Catholic founded by Thomas in Babylon where Satan's Seat is and chosen by the Apostles as one of the Apostolic Sees and is not a code name for Rome.

Thyatira is the Anglican founded by Joseph of Arimathea originally in Glastonbury which ordains women (Jezebel - not to mention the Queen is the titular head) and openly gay men (fornication)

and the idolatry is evolution which they spew out of their pulpits every week during Divine Liturgy (out of which came the entire Protest Ant Colony world).

Sardis is the Greek Orthodox founded by Andrew in Byzantium which claims to be alive ("we read the New Testament in its original tongue") but is really dead because some of them teach that Y'shua took upon Himself a fallen human nature. They also recite the Jesus Prayer as a Mantra (which they deny) which replaces the real presence in the Eucharist as the source of their life *though they would deny this*.

Philadelphia is the Antiochian Orthodox where the Ephraim Document hails from which contains a clear description of Premillennialism complete with Pretribulational Rapture.

And Laodacea, the richest church, can only be Roman Catholic. They are all part of the Bride of Christ so be careful you are not found fighting against God or you might end up entertaining Michael, Gabriel, Raphael and Uriel. All churches came from one of these and collectively in their four branches (Catholic, Oriental, Orthodox and Anglican) form the Four Chambers of the Sacred Heart of Christ as lived out in the Bride by the Holy Spirit.

3) The Pretribulational Rapture is Scriptural and found in the St. Ephraim Document and will possibly occur on the 8th Day of Hanukkah Jan 1st, 2033 AD (exactly 2,000 years from the Transfiguration) +- 2 days for the Biblical Sighting of the New Moon (s) which addresses the No Man knows the Day or Hour Argument with the Return on the 7th Day of Tabernacles October 9, 2039 Anno Domini. Compare Is 61:2 & 63:4 where one proclaims the Day of the Vengeance of our God. I just did.

There is, however, some indication that the Rapture could occur sometime before Nisan 1st, 2022 AD based on a Lunar Day for Year judgment period starting in 1666 AD and the events surrounding the end of the world fever that hit at that time.

The foundation of the Ephraim Document, via the Apostles, can be found in II Esdras.

The "Pre-wrath Rapture" is seeing the catching up of the 144,000 at the return of Y'shua as the Thief in the Night. Paul (I Thes 5) drew his teaching on the Thief from Obadiah. Peace and Safety is the attitude of Edom at the end of the tribulation not world conditions in the first half proven by Y'shua's words, "Nation against Nation and Kingdom against Kingdom" as well as the imagery of the Four Horsemen where the Horse, in Scripture (Job 39), is a Symbol of War. Raptured Saints are the Gravel Tipped Arrows of Asaph's Ps 77:17. Luke 12:36 makes it clear - Pretrib Wedding and Post Trib Reception - irrefutable.

4) The Seals are broken on their respective Nisan 1st and all 7 are broken before any of the Trumpets sound (based on the sacking of Jericho). 1st Seal Mar 31, 2033 AD, 2nd Seal Mar 21, 2034 AD, 3rd Seal Apr 10, 2035 AD, 4th Seal Mar 29, 2036 AD, 5th Seal Mar 17, 2037 AD, 6th Seal Apr 6, 2038 AD, 7th Seal Mar 26, 2039 AD. The differences between the Trumpets and the

Vials prove they do not run concurrently and the "Voices, Thunders, Lightnings, Earthquakes and Hail" proves that all Judgments climax together.

5) *The Trumpets* sound on their respective New Moon and all 7 sound before any of the Vials are poured out. 1st Trumpet Mar 26, 2nd Trumpet Apr 25th, 3rd Trumpet May 24, 4th Trumpet Jun 23, 5th Trumpet Jul 22, 6th Trumpet Aug 21, 7th Trumpet Sept 19, 2039 AD and the start of Ramadan and Rosh Hashanah ("Edom is the end of this age and Jacob the start of that which is to follow" II Es 6). This dual lineup only occurs about every 33 years. The Last Enemy of Israel is judged in his own Holy Month. Muslims should remember that they are waiting for the Return of Isa (Y'shua in Arabic), not Muhammad, which makes Isa the Last Prophet. The Temple was in the City of David (Ernest Martin, "The Temples that Jerusalem forgot") and the Dome of the Rock is the "Court without the Temple" and they could rebuild the Temple now with no conflict.

6) *The Vials* are three days each (Egyptian as found on the Dendera Zodiac in Aquarius not Bowls of Modern Translations). 1st Vial Sept 19-21, 2nd Vial Sept 22-24, 3rd Vial Sept 25-27, 4th Vial Sept 28-30, 5th Vial Oct 1-3, 6th Vial Oct 4-6, 7th Vial Oct 7-9, 2039 AD which is the 2300th day and the 1290th day with the 1335th day Nov 23 ending the five month Locust Sting Plague, "Blessed is he who makes it unto the 1335th day." This is the march of the Army from the East which II Es 15 describes casting down a Horrible Star to the ground destroying Mountains and Cities which is a clear description of (Hydrogen) Nuclear War. This is the time when Joel says, "Whosoever shall call upon the Name of Y'Havah shall be saved."

7) *Retrospective Passages* climax under the judgment that introduces them. Chap 7 climaxes under the 6th Seal, Chap's 10-11 under the 6th Trumpet, Chap's 12-14 under the 7th Trumpet. Chap 20 is Prospective looking to the final judgment after the Millennium then John returns to the 'present' at the end of the tribulation (George Peters, "Theocratic Kingdom" the Classic on the Premillennial Faith according to Dallas Theo. Sem. but, apparently, they never read it).

8) *The Two Witnesses* are Moses and Elijah both of whom left this earth at Mt Nebo, both of whom stood before the Lord of the whole earth at the Transfiguration on that same Mt Nebo (during which only James the Son of Thunder stayed awake and he passed that info to Barnabus who gave it to Luke) and both of whom are mentioned in the closing chapter of Malachi. The Song of Moses is Dt 32 which Y'shua taught Moses and first sung by Enoch.

9) *The Pope* is neither the Antichrist or False Prophet for just by wearing his Pontifical Robes he proclaims to the entire world that Jesus Christ has come in the Flesh and that for 2,000 years. The False Prophet will probably be the High Priest in Israel at the time making him the Idol Shepherd with the Image of the Beast said Idol and he may be Judas Iscariot who traveled the Way of Cain (Uncle Jude) and became immortal when he kissed Y'shua in the garden who had previously sweat great drops of His Divine Blood (which He stated would make someone immortal) which explains why he is cast alive into the Lake of Fire with the Antichrist.

10) *The Male Child* is the Davidic Leader of the End Days (from Ephraim per Gen 37:9 and Judah from Ez 37). The Lion of II Es 11 whom Jews call Messiah ben Yosef and the Scriptures

call David (Jeremiah 30, Ezekiel 37, Hosea 3) to annul his bastardly origins ("a bastard shall dwell in Ashdod" - belongs to the Prince in the Millennium). The Seed of Is 53:10, "When you make His Soul and Offering for sin He will see His Seed." The subject of the Mustard Seed Parables (Peters states the parables describe the Postponement and Re-establishment of the Kingdom), which describes the restoration of the Tabernacle of David under this Crown Prince of the Davidic Throne symbolized by Joshua and Zerubbabel in Zechariah and Haggai. The House of David has to wait to be restored for the return of their King Y'shua ben Y'hava when they sing the Messianic Psalm of Ascent (Alfred Edersheim, "Life and Times of Jesus the Messiah"). The missing generation from Matthew's Genealogy. The Son of the One who ascended up to Heaven in the Prophecy of Agur.

11) The Antichrist is described by Daniel's Last Vision as the Vile Person who invades Israel and Egypt three times during the tribulation and this is exactly what Cain did before the flood as described in the Bilgamesh Epic.

He confirms the Mosaic Covenant (not an improbable peace treaty) probably via initiation into the first 3 degrees of York Rite Masonry (Phineas was entrusted with the uncorrupted White Pearl of Great Price which he passed on to Hilkiah who initiated Josiah - see Duncan's Monitor for the Black Pearl of Great Price).

The 'lack' of arrows for his bow does not imply a 'peaceful' rise (the word actually means 'prosper' via "craft"). The world that recovers from the fall of America is plunged back into chaos and anarchy by the Pretribulational Rapture and he steps in to fill the vacuum.

His second invasion of Israel occurs precisely on Nisan 1 Mar 29, 2036 AD and starts the 1290 day countdown. The Abomination of Desolation will probably be the Ceremonial Blaspheme of the 7th Degree of corrupted York Rite Masonry where they apply the Sacred Name to themselves literally proclaiming to be God and may include a Cannibalistic Sacrifice of one of the participants ("Prince of the Covenant") in the (Masonic Sanctum Sanctorum) Holy of Holies.

The Mark of the Beast is drawn from the Mark of Cain and is a type of Ration Card. The Name of Blaspheme which adds up to 666 in Hebrew (Irenaeus and Ignatius were wondering) is Qof, Ayin, Nun, Yod, Beit, Ayin, Lamed, Mem, Rosh, Daleph, Kaf, Ayin (1st) which is the name he is currently claiming for himself (i.e. the first King of Babylon).

The Scriptures clearly teach the revival of the Ottoman "Dying Man of Europe" Empire (chronologically targeted by Sir Robert Anderson). Like the Beast his Kingdom receives a mortal head wound and lives. With the Bosphorus Tunnel and Bridge Turkey is set to control the Med Sea when America Falls - whoever controls the Med controls the World - *and Turkey is the largest standing army in Europe.*

12) Mystery : Babylon the Great will be rebuilt on the plains of Shinar (those who say otherwise have a pet Antichrist they are trying to promote - Wolves in Sheep's Clothing Thang) possibly including the re-diversion of the Euphrates as well as the restoration of the Ancient Silk Road by

China and Turkey (Two Storks) within about three years. The Euphrates does not run dry from the Hydro Dam but from geological events (II Es 6:24) that causes the rivers to stop running for three hours and is probably a Pole Shift similar to Joshua's Long Day.

13) Feast for the Fowls is the Feast of Tabernacles 2039 AD and the Carcass the Eagles gather over is the Army of Gog and Magog which any Bible Atlas will show is Turkey not Russia. Were it Russia, having originated in Turkey, they would still speak the (Fallen?) Angelic Language of Turkish that the pre-flood Bilgamesh Epic was originally written in which is Cain's account of the death of Abel (Enki Du - the Elders are the Fallen Angels) and subsequent battle for the Tree of Life at which the Serpent, Cain and some of their Army became immortal.

Y'shua's Vesture is already soaked in blood before this battle (Rev 19) and that is from His judgment of the Eagle from the Sea (Peters asked that very astute question) *about 20 years prior to the Day of the Lord.*

14) The New Jerusalem is established on the earth at the start of the Millennium not the end. It's approach causes many of the judgments and its descent through the atmosphere rolls the heavens back like a scroll and its touchdown sends a massive concussion wave around the globe destroying the cities of the world.

Habakkuk, "*He stood and measured the earth. He beheld and drove asunder the nations. The everlasting mountains were scattered. The perpetual hills did bow. His ways are everlasting.*"

Mt Zion to the Jews, The Silver City to the Burmese (Don Richardson, Eternity in their Hearts), Nommo's City to the Dogon (Temple, The Sirius Mystery) was originally on this earth day 4 of creation (Phoenix landing on the Ben Ben Stone) but was withdrawn 120 years after the death of Abel, so II Es 7:26, "The Bride shall appear and she, coming forth, shall be seen that is now withdrawn from the earth."

It is the Crown in the Cloud on the Temperance Tarot Card (seen from the Cyclopean Angelic Wall at Ba'albeq the entrance to the garden pictured above behind the Angel's right shoulder) and on the Nubian Ostrich Egg Shell (below - were they the pyramids of Giza the one on the left would be a quarter of the size of the other two). There are more than one city ("Wisdom has hewn out her Seven Pillars" and "in my Father's House are many Mansions") with the three biggest in the Med Sea (at 450 miles at the base as an equilateral four sided pyramid they would be seen from Nubia).

Thus, Micah's Mountain of the Lord's House established above the tops of the Mountains. Its presence is what restores the earth to an Edenic Paradise which will not be destroyed after the Millennium ("of the increase of His Government there will be no end").

Thus, under the 6th Seal the people of the earth cry to be hidden from Him that sits on the Throne and from the Wrath of the Lamb. The belief that the universe is going to be destroyed after the Millennium comes from the evilness of matter belief from Babylon - Job 15:15 and is not Scriptural.
